Bid Attributes

Please review the following and respond where necessary

#	Name	Note	Response
1	Award Terms	By checking this box you acknowledge that: 1) THIS IS A TOTAL AWARD TO A SINGLE SUPPLIER. 2) THIS BID WILL BE AWARDED BASED ON THE LOWEST TOTAL COST FOR THE DISTRICT.	_____ (Required)
2	Pricing Availability-Political Subdivision	Is the pricing available to political subdivisions of the State of Kansas (e.g., City of Wichita, Sedgwick County, Unified School Districts and State Universities)? Your answer to this question is not consided an award requirement for this bid. Valid Responses: [Please Select], Yes, No	_____ (Required)
3	District Right to Select or Reject	USD 259 reserves the right to select, and subsequently recommend for award, the proposed equipment/service which best meets its required needs, quality levels, and budget constraints.	_____ (Required)
4	Bid Terms and Conditions	By checking this box you agree to USD 259 terms and conditions	_____ (Required)
5	EPLS Certification for Suspension/Debarment	By checking this box you acknowledge that the EPLS Form in the Bid Attachments section has been completed and signed and attached to this bid response. Failure to return the completed and signed EPLS Form will result in the bid response being ruled non-responsive.	_____ (Required)
6	Price includes S&H, FOB	By checking this box you acknowledge your price includes shipping and handling, FOB Destination, Prepaid and Allowed.	_____ (Required)
7	Price Extension	USD 259 reserves the right to request a price extension from the awarded bidder, if mutually agreed.	_____ (Required)
8	Gray Market Items	We will not accept any gray market items. Please only bid original OEM parts.	_____ (Required)
9	Equivalent Statement	The District currently has a large installed base of equipment to support Internet services in all schools. The District will maintain strict compliance with SLD guidelines regarding specification of 'manufacturer' in this bid. All references to manufacturer, part numbers or technician certifications in this bid are the result of the District's pre-planning design or are based on existing equipment. The District will consider substitutions of strictly equivalent equipment and services. However, since not all equipment will be replaced, all new proposed equipment must seamlessly interoperate with the existing environment including all network components. In addition, during the cutover process and beyond, all proposed equipment must be manageable using the same tools, systems etc. as the current installed systems. Vendor shall describe their detailed plans for the transition/cutover process as part of their response.	_____ (Required)
10	SPIN Number	As a requirement of this bid, please provide a SPIN number.	_____ (Required)
